

Change the World. One Call at a Time.™

It's time to demand more from your organization's phone and Internet service provider.

BetterWorld Telecom is the only nationwide, full-service, voice and data carrier solely focused on serving organizations that support social justice and sustainability.

We tailor a specific Solution package for each company and non-profit we serve:

- ~ Local Calling, Long Distance and 800 Toll-Free
- ~ Virtual PBX and Unified Communications
- ~ Voice, Web and Video Conferencing
- ~ High-Speed, Dedicated Internet Access and Data
- ~ SIP/IP Trunking, MPLS
- ~ All services available via traditional or VoIP transport

At BetterWorld, our triple bottom-line value proposition can be summed up in three numbers:

- 🌍 **COMMITMENT** – 3% of revenues are donated to organizations supporting social justice, the environment and free trade. BetterWorld is the first and only Carbon Neutral Telecom Carrier in North America.
- 🌍 **SAVINGS** – 28% average savings vs. mainstream providers such as Verizon, AT&T and Qwest
- 🌍 **QUALITY** – Only 100% no-questions-asked guarantee every month of service; one bill, one call does-it-all support
