

Our Vision to Improve Lives; Instill Commitment

“At Better World, we donate a total of 3% of company revenues to our affiliates and causes that benefit children, education and the environment.

To date, we’ve donated over \$100,000.”

We’re pleased to unveil the BetterWorld Charitable Foundation, a new 501(c)(3) now responsible for administering the 3% revenue donation and commitment from BetterWorld Telecom. Our Foundation also is charged with overseeing the organization’s outreach, affiliate partnerships and volunteering activities.

BetterWorld Establishes Foundation to Enact Socially-Responsible Change

A fundamental challenge facing our society is to create systems that promote human welfare, peace and sustainability of the environment. BetterWorld believes that the best way to meet this challenge is to encourage initiatives by those living and working closest to where the problems exist — therefore; we are dedicated to working in collaboration with non-profit groups, governmental entities and the business sector to ensure participation from diverse communities at all levels of society.

In order to enable people to improve their lives and reinforce their societal commitment, the BetterWorld Charitable Foundation provides grants for projects that address concerns over children, education, fair trade and the environment. BetterWorld has donated more than \$100,000 over the last three years to worthy philanthropic causes.

The BetterWorld Foundation will continue to play a key role as we strive towards our company goal of donating \$1 million per year by the year 2015.
